

DOG TAILS

By Richard Tornello © 2006

De noodle dee schnoodle
I won't buy a poodle.
A hound from the pound
May beee ookay,
But spots on a rot
Well, er,
 No, I think not!
Back to the poodle please.

Curls?
Just waggy dog tails.
Big ones, standard
Small ones, sub standard?

A mut for my hut
Just waggy dog tails.
Is what I would choose.

Not in-bread, will eat what it's fed.
Days end, the foot of my bed.
A mutt.
Just waggy dog tails
