

FLEAS NEVER DIE
("feliz navidad) Rohn Rox 1950
By, Richard Tornello © 2006

Fleas never die
Fleas never die
Fleas never die
They just in the rug live and lie
They just in the rug live and lie

Fleas never die
Fleas never die
Fleas never die
They just in the rug live and lie.
They just want to bite your ankles
They just want to bite your ankles
They just want to bite your ankles
And drink more of your blood.
Repeat as per song
