

# **GRAVITY'S PULL #2**

## **OR**

---

**BOTOX-LIPO-skinny-hard faced  
armor like skin.... C21 heart  
cold eyes w/difficult laugh.**

**Tanning salon, tanned muscles  
sun baked .....buzz cut  
exercise w/in &out lovers  
how much to exorcize?**

**Bumps and blemishes, this landscape dot  
And so....gravity repells  
hanging from a frame  
leather like, broiled like, crispy  
cooked underneath  
just right.**
