---

Barbie bodies galore, afeast for the eyes, maybe more.

Cigarette smokingpock-faced, balding/sitting

in Vietnamese pock-likedialects.

Overweight gossip queens,square table sitting.

Eyes shifting side toside, who might be

here

over hearing tid bit?

Lipstick red/overlapped,

thin lips, skinny.

Angled shoes elevated

walks.

Teddy bear bottomed, handswiping screen, 3 year old.

Cute.

Hair pulled up in a tail,

pony up to the bar

Another cup.
