

## MOTHAGOOSE

By R. Tornello© 2012

### BIRDS OF A FEATHER

Birds of a feather will flock together.

So will pigs and swine.

Presidents and lackeys pick their choice,

and the republic dies on the vine.

### UP STREET DOWN STREET K STREET

Up congress, down congress

Each hand out for cash

See inside congressmans house

Kissing lobbyist ass.

### ROOM TO LET

Halloween in the news room

Mendacity in the briefing room

Conspiracy in the back room

New laws written in the board room

Republic in the toilet.
