

## **RAIN RAIN GO AWAY?**

By R. Tornello © 2012

Raining-batso-crazy.  
Subdivision traffic  
backed up, batso people down the streets  
and  
block the boxes stop and go  
to stop and go.  
The highway by the way a long time away.  
No way to live no way to go  
All ahead stop!  
Better to sit at home, a cup of coffee time  
Or  
the other way, a starbucks,  
coffee and a view to a few,  
wet tee shirt freebee contest  
all the while  
brain screaming “trimethalzanthine”  
deprived depraved.

Worth the drive and long line wait  
Eye candy and coffee,  
breakfast dessert,  
Ahhh.
