

**STELLA THE GRAND CAT**  
**By Richard Tornello © 2007**

I have a Mac  
I have an Ally  
I have 2  
And that's too many.

I'm a grand cat.  
An even though  
It's quite a thrill  
They're much too big  
for me to kill.

I'd rather be  
**THE KITTY**  
And not the fiddle  
second  
to these kiddles.

However, I am the grand cat  
And command respect.  
For at my paws  
You will regret  
a slur or comment to displease  
My Mac and Ally.

Though, when I ponder  
What I'd please,  
Would I rather mac and cheese.
